

THE URANTIA BOOK

Lasting Peace

2023 Annual Report

The great and immediate service of true religion is the establishment of an enduring unity in human experience, a lasting peace and a profound assurance.

5:4.2 (66.6)

Dear friends of revelation and Urantia Foundation,

Thank you for your steadfast support in 2023. Your contributions fueled the spreading of *The Urantia Book* and its teachings, a crucial endeavor in guiding humanity toward inner and societal peace.

This year's annual report celebrates our slow but sure evolution towards world peace. True peace begins within everyone, weaving our moral discernment and spiritual awakenings to form the fabric of a harmonious society. At the heart of lasting peace is the understanding that we are all part of one human family, children of the same loving Heavenly Father. This recognition dissolves barriers of race, status, nationality, and gender.

For a truly transformative civilization to flourish, society must undergo tangible structural changes. *The Urantia Book* teaches that it's essential to encourage global trade, intellectual cross-fertilization, cultural exchanges, the adoption of a universal language, competitive play, and the implementation of global laws that secure peace. These measures foster safety, fairness, and understanding across individuals, communities, and nations.

The Urantia Book explains that applying “spiritual pressure from above” accelerates our progression toward a just, loving, and peaceful world. The teachings of *The Urantia Book* are this spiritual pressure. The mission is clear: spread the revelation far and wide.

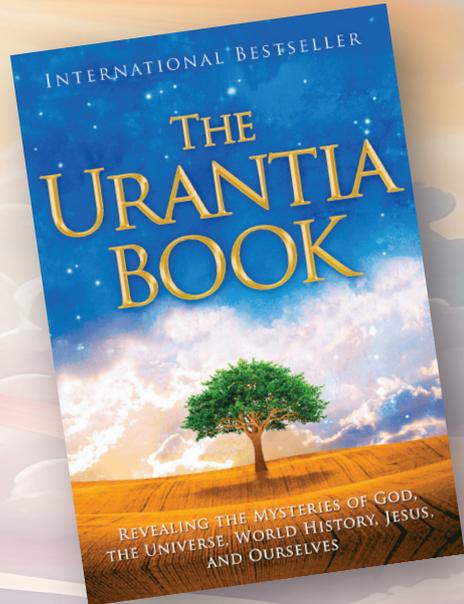

Peace and blessings,

Mo Siegel
