Homage to Thought Adjusters

Dear friends of the revelation and Urantia Foundation,

Thank you for making the work of Urantia Foundation possible. Because of your generosity of time and treasure, *The Urantia Book* is now available in 27 languages, with more in progress. Your contributions enable translations, Mustard Seed Grants, educational programs, and the distribution of the revelation, both in print and digitally, to seekers worldwide. None of this could happen without your partnership.

Among the most inspiring revelations in *The Urantia Book* is the story of the Thought Adjuster—the living spirit of God within each of us. We are not alone! This divine presence quietly leads us to the shores of Paradise and beyond. Trust the guidance. Your faithful pilot will not fail you. No other book in the world so clearly reveals this astonishing truth or offers such personal hope for every human being.

You are helping to spread this good news to a world that longs for deeper meaning and spiritual direction. The Adjuster is our faithful inner guide—not demanding, but inviting us to listen, trust, and follow. With your support, we can share this message with millions more.

Thank you for making this mission-driven work possible. Together, we are building bridges of hope that lead souls from darkness to light, from confusion to purpose, and from time to eternity.

With deep appreciation,

Mo Siegel

On behalf of the trustees of Urantia Foundation: Sherry Cathcart Chavis, Víctor García-Bory, Gard Jameson, Marilynn Kulieke, Olga López, Georges Michelson-Dupont, Mo Siegel, Judy Van Cleave, Chris Wood

The Adjusters are loving leaders, your safe and sure guides through the dark and uncertain mazes of your short earthly career; they are the patient teachers who so constantly urge their subjects forward in the paths of progressive perfection....I wish you could love them more, co-operate with them more fully, and cherish them more affectionately.
