URANTIA FOUNDATION *2020* ANNUAL REPORT

Stars are best discerned from the lonely isolation  
of experiential depths, not from the illuminated and  
ecstatic mountain tops. 48:7.15 (556.15)

## President's Letter

**"SUCH A LIFE ON SUCH A PLANET"** feels like the appropriate theme for 2020. Who would predict that the world would shut down because of a global pandemic? Yet from tribulation, the world learned that using genomic medicine produces quick and effective vaccines, and "We is greater than Me."

When COVID-19 struck, our offices closed, and teams worked from home. We wondered if we could keep the 2019 momentum. Like the rest of the world, we adapted. Committees, special projects, education, translations, revisions, and the staff and volunteers didn't miss a beat. Thanks to over 80 individuals serving with Urantia Foundation, the work reached a new high-water mark for bringing *The Urantia Book* and its teachings into the world.

**Some important 2020 accomplishments:** Urantia Book sales surpassed 21,500, and more than 108,000 books were downloaded; nearly completed the Spanish revision, the Hebrew translation, and the enhanced English e-book; added two new associate trustees and activated the Outreach Committee; reorganized UBIS and enrolled 733 readers in classes; finalized the Filipino translation team; participated with 102 Taiwanese and 26 Chinese people in the first Chinese language conference; launched the new multi-language book; and finished the year under 2019 expenses and the conservative 2020 budget.

With heartfelt appreciation and gratitude to our unseen supervisors, staff, volunteers, and generous donors, we thank you!

## NEW SPANISH REVISION ~ a Decade in the Making

A gift of love for Spanish-speaking people around the world!

**OVER TIME**, translations need improving, and the current Spanish versions were no exception. The new revision is faithful to the original English, linguistically accurate, and stylistically beautiful. The team preserved as much as possible of the 1993 Latin American translation, while using the European translation as a reference tool. This new international edition will be available soon.

### Spanish Revision Team, working together since 2011

L-R: *The late Carmelo Martínez*, chief reviser, Spain; *Anibal Pacheco*, Chile; *Olga López*, Spain; *Víctor García-Bory*, Mexico; *Raúl Pujol*, Puerto Rico.
