SPIRITUAL HOPE FOR THE WORLD
Dear friend of Urantia Foundation,

The situation has been clearly stated:

“Urantia is now quivering on the very brink of one of its most amazing and enthralling epochs of social readjustment, moral quickening, and spiritual enlightenment.”

People need a road map to the next epoch—and here it is—within the pages of The Urantia Book.

How The Urantia Book Changed My Life

While growing up in Mexico and attending Catholic school, I had unanswered questions about evolution, Adam and Eve, and space. I also questioned how God could be looking for my mistakes so I could suffer the consequences.

In my quest for answers, I read a lot of books, but the answers eluded me until I read Caballo de Troya by J.J. Benitez. Here I found a new and different Jesus, and I wanted to know more about him. I continued reading books by Benitez, and then one day I discovered a big, blue book in a bookstore. Upon it was the magical word “Urantia,” and I had to have it. Tears of happiness still flow when I remember that wonderful day!

At first I didn’t understand much, but I did find answers to my questions, a new perspective on science and evolution, and a logical explanation to our origin, history, and destiny. The enormity and purpose of our Father’s creation unfolded, and for the first time I felt God’s love. I realized I was not alone anymore! A fragment of the Father lives in me, guides me, and helps me create my soul—the true and real me.

Now I know my “address” in the universe, where I am going, and how I will get there. I know our beloved sovereign Michael of Nebadon, who he is, and how he lived and taught as Jesus of Nazareth.

The Urantia Book has given me so much hope. I am eternally grateful for finding it!
