

R THE GIFT OF REVELATION

Urantia Foundation 2018 Annual Report

URANTIA[®]
FOUNDATION

Dear friends of Urantia Foundation,

Jesus said, “The kingdom of heaven is also like a merchant seeking goodly pearls; and having found one pearl of great price, he went out and sold everything he possessed that he might be able to buy the extraordinary pearl.” 151:4.5 (1694.3)

We have been exceedingly blessed to have discovered the revelation. Or is it more realistic to say it found us? In the 993,504-year history of humankind an event of this magnitude has occurred only five times. We have the pearl of great price, the gift of revelation. Through sickness and health, happy and sad times, the words of *The Urantia Book* enlighten our minds and soothe our souls. Because of its teachings, we feel God, imagine the universe, trust the promise of eternal life, and relive the life of Jesus.

Much has been given to each of us and much is expected. With your support, Urantia Foundation continues to seed *The Urantia Book* and its teachings globally. While worldwide acceptance is destined for another age, we are laying the groundwork now for its future adoption. Together we will ensure that this extraordinary gift endures!

From the bottom of our hearts, thank you for your generous giving.

The average book sells 3,000 copies in its lifetime. What a remarkable testament to the strength of the Urantia Revelation that a book published in 1955, which begins with a difficult-to-read Foreword, continues to sell so well. There are over 800,000 physical Urantia Books in circulation, and hundreds of thousands more have been downloaded. *The Urantia Book* is spreading, and the text is protected.

The *Gift* of Revelation

It started in turn-of-the-century Chicago, a growing city in the heart of America's Midwest, where a dedicated group of individuals worked together over many decades. Their combined wisdom and perseverance led to the publication of this revelatory book in 1955. From here it has spread throughout the world.

What a marvel to have the gift of an epochal revelation! The pages of *The Urantia Book* invite us into a thrilling adventure of intellectual and spiritual transformation. We are welcomed into a vast universe family and a bounty of truth, beauty, and goodness. As we open the door to the new concepts and ideas expressed in *The Urantia Book*, we enter a world filled with opportunity and challenge. What will each of us do with this gift as we choose to become part of God's universal plan?

“Revelation liberates men and starts them out on the eternal adventure.”

102:3.6 (1122.2)

“Revealed religion is the unifying element of human existence. Revelation unifies history, co-ordinates geology, astronomy, physics, chemistry, biology, sociology, and psychology.”

“
I soon discovered that *The Urantia Book* reveals knowledge way beyond my early simple questions such as: Are we alone in the universe? How did life start? Will I survive death? Before long I was learning about morontia lives, superuniverses, and eternal Havona. Now I keep discovering new revelations on every page. *The Urantia Book* is truly a divine gift that keeps on giving!”

“
Having done graduate work in comparative religious philosophies, and having studied all the basic religions of the world during my inquisitive youth, I have found *The Urantia Book* to be a marvelous historical reference. What an inspirational ‘Pilgrim’s Handbook’ for the Inward Journey—an incomparably valuable aid in sorting the wheat of wisdom from the proverbial chaff and spirit-distracting clutter of modern life.”

A Gift That *Changed* My Life

Karmo and Margit Kalda and family, Estonia

When we found *The Urantia Book* it felt like life had just begun. It was as if we discovered a gateway into the real world. We received answers for our questions and clarity into our thoughts. It has been a great blessing for the family because we both read it, and this gives us the highest possible harmony in our relationship.

Wilson León Naranja, Colombia

The moment my mother gave me *The Urantia Book*, a great seed of love was sown in me, and it changed my life. Today I feel that I have harmony in my home and in my health. I enjoy abundance in resources and relationships, and I live in immense peace and happiness. Each day I give thanks to you, Father, and I am eager for a hug from you. ¡Gracias! ¡Gracias! ¡Gracias!

Carl Ramm and Susan Alexander, Alaska, USA

It is hard for us to put into words what the revelation means to us since it has become a part of almost every facet of our lives. Nonetheless, probably the greatest gift has been a much deeper sense of being at home in the universe, and knowing that in spite of all the troubles our world endures, the cosmos is a loving home.
